KSA Greengold 46 Tractor Combine

KSA Greengold 46 Tractor Combine

TheÂ KSA Greengold 46 Tractor CombineÂ machine comes with a heavy engine from John Deere L&T tractor, 1312 big clutch plates driven by high performance gear, operator cabin, and a neatly designed cutter bar for harvesting fallen crop easily. The elegant design fabricated by the team of BEW offers the best functions complying with the needs of a farmer. Considering all the necessary factors, the combined tractor design has been adorned with eclectic features to meet the efficiency of 2.5 acres of wheat and 1.5 cares paddy harvest every hour.

The machine has a 5 straw walker driven by the powerful engine to give a relentless harvesting platform. The team also offers immense customer support post-sales period so that the agricultural ventures go unhindered. The power of the L&T Green Gold Tractor Combine with the mounted enhancements are ideal for harvesting wheat, paddy, and other important staple crops grown in the Indian and international fields.
